

## EVANGELIST - Dr. Stephen Manley

Dr. Stephen Manley grew up in the home of an Indiana Methodist pastor, which provided the basis for his early spiritual growth. As a young man entering high school, he was conflicted and torn with the reality of his spiritual life. During a high school lunch break, he stole away to a classroom in his father's church to pray and seek direction. That day he was radically altered in heart and mind and knew without question that Christianity is about intimacy with Jesus. Stephen Manley is a "Jesus Pusher." Some people "push" drugs or alcohol, sex or entertainment, For Stephen Manley, his one thing, his only passion, his single desire is to promote Jesus to a lost and dying world. Stephen and his wife, Delphine, work as a team together through "Cross Style School of Practical Ministry." You must come and hear their full ministry story that has taken them around the world.

## WORLD GOSPEL MISSIONS (WGM)

### MISSIONARIES – Robert & Holly Groom

In Africa, the rate of heart disease is the highest in the world, and medical centers that can treat heart disease are scarce to nonexistent. This causes much suffering and premature death

for many African people and their families. Robert is a cardiovascular perfusionist; he operates the heart-lung machine during open heart surgery and has extensive leadership experience in cardiothoracic surgery. Holly is a retired school teacher. Robert and Holly have a burden for those suffering from heart disease. They have been called to assist in the development of a new Cardiothoracic Treatment and Teaching Center at Tenwek Hospital, Bomet, Kenya. Robert and Holly has experienced the heart-changing power of Jesus Christ and desires to be part of the team at Tenwek that provides physical and spiritual healing. Robert will establish cardiovascular training programs for Africans. He will also help with the coordination of cardiac teams coming to Tenwek Hospital for short-term missions. Together, Robert and Holly will be part of the Tenwek team—providing compassionate care and spiritual healing in the name of Jesus Christ."

### WORSHIP LEADER – Rev. Ken Stanford

Ken is district superintendent for the New England Church of the Nazarene. He is a gifted keyboard musician and worship leader. Rev. Ken will lead our congregational singing each evening service. Ken's sensitivity to the Lord's

leading, along with Ken's blend of hymns and contemporary music, will bless all who attend each evening service. Please come and enjoy a well-blended choice of spiritually uplifting congregational songs.

### YOUTH DIRECTOR – Jordan Paul

Jordan served as youth counselor for several years here at camp prior to leading the PYDA\* youth program as Director for the last two years. Jordan is a graduate of Pensacola Christian College with a degree in History Education. He has a passion for ministry which he

contributes to the ministry opportunities he experienced through being homeschooled by his parents. Jordan's vision for camp is "to see youth know Christ as their Savior and to see others grow in their relationship with God."
